## THE DAILY BULLETIN

Is published every morning, and circulated throughout the town, and forwarded to the other islands by every opportunity.

WITH this number we issue THE DAILY BULLETIN in an enlarged form, printed on both sides. During the past month 7,200 copies have been printed, of which 1,000 have been forwarded to the other islands, 200 to foreign countries, and the remainder circulated throughout the city. In addition to the above 7,200, extra copies amounting to 950 have been printed, to fill orders, making the total number 8,150.

Its being circulated free of charge, brings it to the notice of a number of people who do not see the regular papers, and issued daily, makes it one of the best of advertising mediums. It is our intention to make the BULLETIN a permanent morning edition. The demand for the BULLETIN is increasing, we will shortly print a larger edition. Our shipping news will be as complete and correct as possible.

THE DAILY BULLETIN is forwarded regularly to the following places:
